

# NINETEENTH SUNDAY IN ORDINARY TIME

August 11, 2019

## Faith and Hope

Faith and hope are closely united in today's readings. The Israelites knew when the Passover was coming, and so were not in fear, but had faith and courage, "putting into effect with one accord the divine institution." In this we can see a foretelling of the Eucharist that we celebrate according to Christ's command, "Do this in memory of me."

We see that Abraham, Sarah, Isaac, and Jacob died in faith, although they did not see fulfillment of the promise. We live in hope that our faith will be fulfilled every time we celebrate this sacrament. We too are not to be afraid, but to have hope that our faith will be fulfilled in the coming of Christ.
